

2010 FAMILY FOS UNIT RECOGNITION PLAN

NOTE: Unit FOS Campaigns must be completed and pledge cards turned in by April 1st to qualify for camp discounts. Packs that want to use their FOS discounts at the March 27 Day Camp Sign-Up Day need to be in by that date.

The annual Family Friends of Scouting (FOS) Campaign provides an informed opportunity for all parents, leaders, community members and alumni to provide financial support to the ongoing programs of the Mount Baker Council.

Rather than charging the actual cost of Scouting when new members join, we collect only the National BSA registration fee. Thereafter, we ask for a voluntary contribution at whatever level families can afford. Each unit should set its own FOS goal based on the understanding that our council spends about \$150 dollars to support each Scout in our Council service area. Part of a unit's FOS goal should be 100% participation by all its families. That means each family turns in a completed pledge card at whatever level is comfortable.

Friends of Scouting dollars cover the costs of staff support, camp and office operations, record keeping, insurance, program equipment and activities, printing and mailing and many other expenses.

In order to qualify for the FOS recognition, units must reach an average contribution level per family registered for 2010. Levels include: \$150 (Presidential), \$100 (Gold), \$75 (Silver) and \$50 (Bronze).

When the unit, as a group, earns the recognition, the unit & all its families receive the benefit.
